

Central Florida Archers
Invitational Club Shoot [Your Choice - 3D or 600 Round]
October 12, 2014

Was a good day .. weather was near perfect.. had some real good shooters attend both the 600 Round and the 3D.

I was shooting the 600 so did not get any pics of the 3D folks .. if anyone has pics, please send a copy to CentralFloridaArchers@gmail.com

Thanks to all that showed up and enjoyed the event with us.

600 Shooters ..

"B" Line doing their thing.

Left to Right - Richard DeBerger, Rick Hardman, Dwayne, Jerry Anderson, Mike Hope.

George Oxely keeping a close eye on his competition

George O, TJ Williams with his new 'do', Wilbur D and his son Dwayne

Linda Anderson with her recurve

We added a new 'End of Shoot' event - the "Candy Apple 50/50" .. get in for \$5 .. all participants get one shot.. those that hit the apple continue on, those that miss are 'dropped' [play on words, literary license of the webmaster].. Mark Bianchi was the 'last man standing' after the 50 yard shot and took home the big bucks [another play on words seeing how the apple was on top of a 3D deer].. Thanks to all that participated ! !..
